# CWF 8901 WORKROOM / CHAIN

For speed of use the 8901 Workroom is the best roman blind headrail choice for the professional workroom. It's supplied fully assembled, excluding Velcro and pocket tape. Once you have your pocket tape and Velcro already in stock it allows you to commence making roman blinds before the headrail kit arrives. Available made-to-measure or in standard size kits that can be easily cut down to size.
